

Class Agents per Class 2023-2024

Thank you for participating at the Alumni Fund Drive as Class Agents!

Every alumnus/a can become a Class Agent whether they are located in Greece or abroad. There is no maximum number of Class Agents per class. For an increased class representation, ideally there should be a minimum of 1 Class Agent per 50 classmates.

Your role as Class Agents is multifaceted and your work is valuable. As alumni volunteers, you represent your class; promote and strengthen relations among classmates and other fellow alumni as well as contact with the School and other members of the College family; motivate your classmates to participate in the Annual Fund in support of the Scholarship Program for Financial Aid; set the example and inspire our students and future alumni to become active citizens of the world.

The Class Agents' activity is coordinated by the Development Office (DO) and the Athens College-Psychiko College Alumni Association (SAKA).

Below you can find the Class Agents by year of graduation, alphabetically and by school unit (where applicable). Please log in with your personal details to the SAKA database to find their full contact details: <https://www.saka.gr/diktyosi-cdo/searchmembers>.

For any required changes, please inform us by phone at +30 210 6798217, 218 or by email at funddrive@athenscollege.edu.gr.

If you are a Class Agent and do not appear on the list, please fill out the participation form in order to have your status published [here](#).

If you are an alumnus/a and would like to become a Class Agent, please fill out the participation form [here](#).
