Athens College Class Agents

Below you can find the Class Agents, members of the Alumni Fund Drive (AFD) by year of graduation, alphabetically and, where applicable, by year (pampers γ, seniors Δ) or by school unit (AC, PC, IB DP). For any required changes, please inform the Athens College Development Office by phone at +30 210 6798217, 218 or by email at funddrive@athenscollege.edu.gr.

To contact the Class Agents, you may log in with your personal details to the SAKA database https://members.saka.gr/ or contact the Development Office.

If you are an alumnus/a and would like to become a Class Agent, please see more at the Alumni Fund Drive Statute (el) and fill out the participation form here. Every alumnus/a can become a Class Agent whether they are located in Greece or abroad. There is no maximum number of Class Agents per class. For an increased class representation, ideally there should be a minimum of 1 Class Agent per 50 classmates.

The AFD Coordination Committee members are at your disposal to support your activities. See more at the AFD page www.athenscollege.edu.gr/en/give/volunteers/alumni-fund-drive and/or contact the Development Office.
