Re: Academic honesty film competition

Dear Lida-Ariadni,

The purpose of this letter is to formally commend you for your film 'Don Quixote', which was one of the eight shortlisted entries to the *Academic honesty film competition*.

Our judging panel felt you deserved specific recognition for your creativity and your success in portraying the subject matter with imagination and ingenuity.

On behalf of the International Baccalaureate I would like to thank you for your contribution which is an encouraging demonstration of the view of IB students and is clearly aligned with the organization's stance on the principle of academic honesty.

Well done for getting to the shortlisted stage and I wish you the best in future ventures.

Kindest regards,

Jeffrey Beard

Director General IBO
