

## A selection of Summer schools in Europe

Summer schools can be a totally different learning experience, allowing you to explore your interests and expand your horizons in a new environment. Some summer school alumni even go as far as to say that the experience was transformative.

A small sample of courses Athens College and Psychico College students have attended in the past can be reviewed in the following. These programmes are **not** in any way endorsed by the College and should be treated as mere suggestions, based on experiences of past attendees.

### **1. IE University Madrid**

The IE University Summer Program is an academically dynamic course comprised of workshops, interactive sessions, and team-building projects. The first phase of this innovative program will give you the opportunity to boost your soft skills through sessions on leadership, personal branding, public speaking, and teamwork. During the second phase, you will be able to discover different fields of study through engaging workshops led by the faculty.

**WHO:** High school students starting university in 2024 and 2025

**WHEN:** 2 – 14 July and 16 – 28 July 2023

**WHERE:** Segovia & Madrid, Spain

### **3. EU Business School Barcelona**

International Summer School gives students an introduction to business studies while allowing them to enjoy their summer break in Barcelona and make friends from all over the world.

The program takes place in July and August at EU Business School (EU) and is specifically designed for high school students aged 16 to 18 who are considering studying business for their bachelor's degree.

### **4. Sciences Po University Reims and Paris**

This programme is an opportunity to discover Sciences Po and experience university life and academics at France's leading university in the social sciences. During three weeks in July, students in the On-Campus Session undertake rigorous coursework in the social sciences, which introduces them to the key disciplines and methodologies of a Sciences Po education.

On-Campus Session: July 8th - July 29th, 2023

Online Session: June 26th - July 6th, 2023
