

Founded in 1925, Athens College – the Hellenic-American Educational Foundation (HAEF) is a non-profit educational institution that incorporates the best standards and practices in Greek and American education. The College strives to shape responsible global citizens and future leaders, nurtured by the intellectual heritage and liberal educational values of Greece and the United States.

HAEF is the umbrella institution for the "J.M. Carras" Kindergarten and two highly competitive sister schools, Athens College and Psychico College. Each has an elementary school, a junior high school, and a high school. Students can enroll in the schools in Grade 1 directly from the Kindergarten or through a lottery system. Competitive entrance examinations for a limited number of places are offered for Grades 2-11. Both Athens College and Psychico College are accredited by the Greek Ministry of Education and follow the Greek National Curriculum. The kindergarten and elementary schools are accredited IB World Schools offering the Primary Years Programme (PYP). Both Athens College and Psychico College offer the Middle Years Programme (MYP) at the Junior High School Level, with Psychico College extending the MYP through Grade 10. In addition, Psychico College offers the International Baccalaureate Diploma Programme (IB DP) in Grades 11 and 12. Students from either Athens College or Psychico College may apply for admission to the IB DP upon completion of Grade 10.

A hallmark feature of the College since its founding has been its extensive scholarship program, which allows deserving students the opportunity to attend our institution irrespective of their families' financial situation. The number of need-based and merit scholarship recipients in 2025-2026 was 542, with a total value of €4,463,571.

By The Numbers (2026-27)

4632 students, Pre-K to Grade 12

Greek National Curriculum, Grades 10 - 12

IB Diploma Program, Grades 11 - 12
172 Year 1 students, **143** Year 2 students

Class of 2027 (Grade 12): 439 graduating
171 Athens College · **125** Psychico College · **143** IB DP

President: Professor Spiros Pollalis

"THE EDUCATION OUR SCHOOL OFFERS SHOULD NOT BECOME A PRIVILEGE OF THE WEALTHY."
– STEPHANOS DELTA
ATHENS COLLEGE FOUNDER

ACADEMICS & CURRICULUM

Grades 9-12 use a semester calendar; Term 1, Term 2, and year-end grades are reported. IB Diploma Programme students receive predicted grades in fall of senior year; Greek High School students do not. Our school does not rank students.

Students following the Greek National Curriculum are awarded the Greek High School Certificate (Apolytirion of the Genikon Lykeion) at the end of Grade 12. Students in this program take advanced courses in one of four areas of concentration: Humanities, Math and Science, Health Sciences, or Economics and Computer Science. In Grades 9-12 the minimum passing grade is 10/20. The final grade for each subject is the average of the two semester grades (50%) and the final exam (50%). The “Apolytirion” average is based on the grade point average of Grade 12 subjects. Students following the Greek National Curriculum in Athens College also take two in depth elective courses their senior year.

The IB DP offered by Psychico College is one of the most extensive and well regarded in Europe with students consistently surpassing world grade averages. Most IB DP students take an additional component in Greek, comprised of three courses (History, Modern Greek Language & Literature and Physical Education) in order to be awarded the full equivalent of the Greek Apolytirion along with the IB Diploma.

36.1/45
School average score

5.2 points higher than the World Average

3
students achieved an excellent score of **44/45**

22% of our students recieved **40 or more points**

FACILITIES & LOCATION

The Kindergarten, Junior High and High Schools are located on a 37-acre campus in Psychico, about four miles from central Athens.

Facilities include:

• 12 academic buildings housing 230 classrooms and labs
• Main Library: 100,000+ volumes in Greek and English; 144 computers; Research Skills and Information Literacy Lab
• Informatics Center (IC): 200-capacity auditorium, with Multimedia Labs, state-of the-art 3D printing, milling machine, laser cutter equipment, music technology, and robotics infrastructure
• Athletics Facilities: 6-lane indoor swimming pool; track and field facilities; tennis courts; indoor & outdoor basketball courts
• 810-seat capacity theatre hosting educational and cultural events

The academic and athletic facilities of the Elementary Schools are located on a 46-acre campus, ten miles northeast of Athens in Kantza.

ATHLETICS & CLUBS

In addition to the Physical Education program which is part of the Greek National Curriculum, the College teams participate in regional and national tournaments. The “A” Association (since 1937), is the inter-school athletic club of Athens College - Psychico college whose purpose is to encourage and advance fair play and good sportsmanship among students. Criteria for admission include: previous athletic distinctions, the candidate’s strong academic performance, ethos, and espousal of the principals mentioned above.

A wide range of clubs and extracurricular activities are available to students, with Forensics, Model United Nations, UNESCO, CERN Club and the Drama Club among the most selective. Students may also choose to write for the school’s many Greek, English, French and German publications. The senior class publishes the School Yearbook (“Thisavros”). Students in Grades 10-12 participate in rhetorical and speech writing contests in Greek and English which are among the school’s most prestigious events.

COMMUNITY SERVICE & OUTREACH

The College places heavy emphasis on community service. Each year, our students collaborate with over 100 local and international non-governmental organizations (NGOs), such as the Make-A-Wish Foundation, the Greek Red Cross, and refugee-support organizations. An annual three-day school fair (“Panigyri”) is the culminating event of the various school activities, with presentations by clubs, fundraising events, and musical and theatrical performances attended by the school and the Athenian community.
