Part I: READING COMPREHENSION

Read the text about Laura and complete the activities that follow.

My name is Laura and I'm from England. I live in London with my parents and my older brother, Tom. He is 10 years old.

I am 8 years old and I go to North Harringay Primary School. At my school, all students wear a uniform: black trousers or a black skirt and a green jumper. The school day always starts at nine o'clock. We do different lessons every day. We learn English, maths, science, history, art and PE, too. My favourite subject is PE because I love sports! We eat lunch in the school cafeteria at twelve o'clock every day. Our school day finishes at half past three.

We never have homework so I have a lot of free time in the afternoon. On Tuesday, I do ballet and on Thursday, I play the piano. On Friday, my brother and I play board games or watch TV. On Saturday, my family and I ride our bikes in the park. My favourite day is Sunday because I go swimming with my friends! We have lots of fun.
